

**SiC-based UV photodiode**

**Model: SSL-ABC-3535MQC**

**General Features:**

- 
- 
- 
- 
- 

**Applications:**

**Specifications:**

Parameters	Symbol	Value	Unit
------------	--------	-------	------

**Maximum ratings**

**General characteristics (25 °C)**

**Spectral response characteristics**

**ir**

I

C

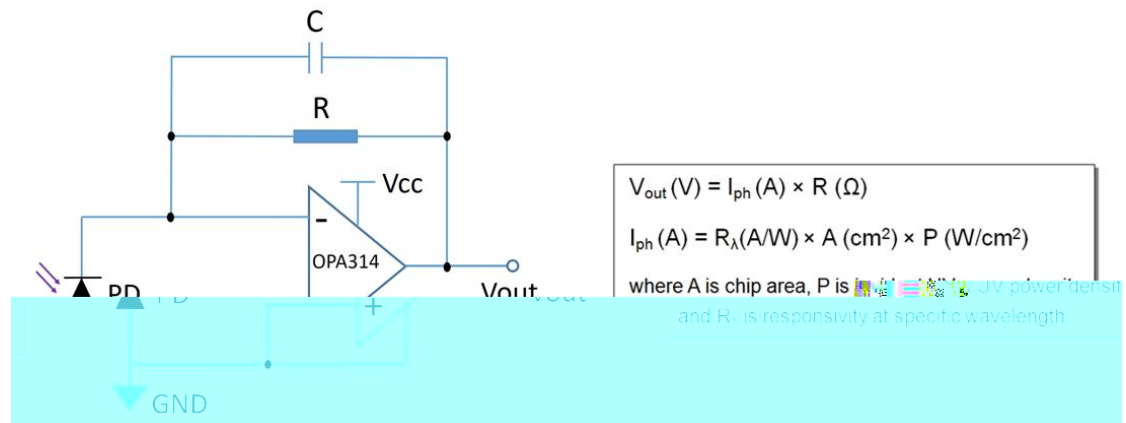

**α**

## SiC-based UV photodiode

Model: SSL-ABC-3535MQC

Application circuit:

Evaluation circuit board:
